Que Nguyen leads the cross-sectional equity research and strategy design that supports the firm's systematic active portfolios and smart beta indices. She works in close collaboration with the PIMCO RAE™ portfolio managers and Research Affiliates' academic advisors. Que is a member of the Management Committee of Research Affiliates. Research Affiliates is a global leader in smart beta, factor investing, and asset allocation. The firm creates investment strategies and tools based on award-winning research and delivers these solutions in partnership with some of the world's premier financial institutions.

Prior to joining Research Affiliates, Que was a managing director at Willett Advisors for seven years. Previous to that position, she was a managing director at the University of Chicago Office of Investments. Que has also worked at Numeric Investors, Morgan Stanley, State Street, and Barra.

Que received an AB honors degree from Harvard University in applied mathematics with an emphasis in economics.
