Seanna Kim oversees the investment process of the firm's model-driven portfolios. She is responsible for managing daily operations and for implementing new strategy designs and portfolio construction methods for the investment products of Research Affiliates. Research Affiliates is a global leader in smart beta, factor investing, and asset allocation. The firm creates investment strategies and tools based on award-winning research and delivers these solutions in partnership with some of the world's premier financial institutions.

Prior to joining Research Affiliates, Seanna was a director and senior portfolio manager at Blackrock, managing their long-short quant active equity strategies. Previously, she was a principal and senior portfolio manager at Barclays Global Investors, and a partner in Asset Allocation at Brinson Partners.

Seanna received a BA in economics from the University of California, Irvine, an MSc in economics from the London School of Economics and Political Science, and an MBA in finance and accounting from the University of Chicago. She holds the Chartered Financial Analyst® designation and is a member of CFA Institute and CFA Society Orange County.
